12. Seven nominations will be given annually to the colonies, under the regulations hitherto in force as to nomination and examination; but the limits of age will be from 12 to 13½ if examined before the 15th October, 1870—and from 13 to 13½ if examined after that date.

Cadets passing in the colonies will, in all other respects, be subject to these regulations, and must be at once sent to England to undergo the course of training.

Printed examination papers will be sent out to Commanders-in-Chief and Senior Officers on foreign stations, under seal, and the candidates' examination papers, with a report of the marks awarded at the examination, are to be forwarded to the Admiralty (should the candidate succeed in passing), together with the duplicate certificate of health.

13. For all cadets, including colonial cadets, entered under these regulations after the examination in August 1869, the annual rate of payment will be, as at present (40*l.* a-year), during the year 1870, and afterwards at the rate of 70*l.* per annum for the period in the "Britannia," and 80*l.* for the year in the sea-going training ship, to be paid half-yearly, in advance, to the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the candidates nominated at each half-yearly examination a number, not to exceed 12, being sons of Officers of the Royal Navy or Marines, or of civil officers under the Board of Admiralty, with respect to whom the annual payment for the two years in the "Britannia" will be 40*l.* only. In selecting these their Lordships will have regard solely to the pecuniary circumstances of the parents or guardians of the cadets.

In the event of the full number so selected not succeeding in the competition, their Lordships will, if they think proper, make the number up from among the sons of officers as above who have succeeded at that examination.

14. Candidates who succeed in the competition will be appointed to the "Britannia."

15. The date of entry of those who pass in June is to reckon from the 15th July of the same year; of those who pass in November from the 15th January of the next year.

16. The period of training on board the "Britannia" will be, as now, four terms; but there will be two terms in each year, instead of three. The first term of each year will be from February to July, the second from August to December.

The vacations will be—6 weeks at Midsummer, 6 weeks at Christmas, and a week at Easter.

17. There will be an examination at the end of each term, and an intermediate examination at Easter for cadets in their first year.

18. Cadets who join in August and who pass an unsatisfactory examination in December will be warned that they will be discharged at the following Easter if they do not show sufficient improvement. Cadets who join in February and pass an unsatisfactory examination at Easter will be similarly warned with respect to the examination in July.

Any cadet who passes unsatisfactorily at a subsequent examination will be discharged.

19. Notice will be given of the minimum number of marks which must be obtained at each examination.

20. At the examinations at the end of the fourth term each will be classified according to their merits in study and conduct; and they will be allowed time for their service in the "Britannia" as follows:—

	Study.	"Very good" conduct.
	Time allowed.	Time allowed.
	Months.	Months.
1st Class	9	3
2nd Class	6	3
3rd Class	None	6

21. The examination and rating of cadets, as midshipmen in the sea-going training ships is to be regulated according to the time notified in their certificates, thus:

Cadets who obtain 9 months' time will be rated as midshipmen at once on passing out of the "Britannia." Cadets who obtain 9 months' time will have to serve 3 months

" 6 " " 6 "
" 3 " " 9 "
" no time " " 12 "

in the sea-going training ships before being rated as midshipmen.

22. After passing the final examination in the "Britannia" the midshipmen and cadets will be appointed to a sea-going training ship for one year.

23. Any cadet or midshipman who, at any time during the three years' probation, may be certified by the medical officer of the "Britannia" or of the sea-going training ship, to have become subject to any disease or physical defect likely to render him unfit for service will, on the circumstances being reported to their Lordships, be at once discharged.

24. After six months in the sea-going training ship an examination is to be held, and at the end of twelve months a second; and any midshipman or cadet failing to pass the test at either of these examinations will be at once discharged from Her Majesty's Service.

At the latter of these examinations they will be classified in three classes, both for seamanship and study.

25. The examination paper for the first examination will be transmitted under seal to the sea-going training ship: and the work of the cadets or midshipmen is to be returned under seal to the Admiralty.

26. Full time will be allowed to every midshipman or cadet for his period of service in the sea-going training ship; but additional time will be allowed to every midshipman or cadet whose conduct has been uniformly good, as under:

	Months.
1st Class Seamanship	3
1st " Study	3

In the case of those who having gained 12 months in the "Britannia" gain also 6 months' time in the sea-going training ship, the rule as regards the age (19) of passing to lieutenant will be relaxed,—and they will be allowed to pass at 18, provided they have completed the necessary service, but they will not be eligible for promotion from the rank of sub-lieutenant to that of lieutenant till they are 19 years of age.

27. The period of service required to enable officers to pass for lieutenant will be five years, including the time allowed in the training ships, but this rule will only apply to officers who entered the Service under these Regulations.

28. The parent or guardian of every cadet will be required to provide outfit as under the present regulations, and to make a declaration (on the admission of the cadet to the "Britannia") to the effect that he shall be immediately informed on the receipt of an official intimation of his being considered unfit for the Royal Navy.

21. Cadets who entered the "Britannia" in December, 1868, or April 1869, will pass out in July 1870, and those who entered in August 1869, will pass out in December 1870. Three months' extra time will be allowed to cadets who entered in December 1868.

CADETS FOR NAVIGATING DUTIES.

22. Navigating cadets will be nominated solely by their Lordships—and in every respect, with the following exceptions, they will be subject to the above Regulations:—

Twenty-four are to be entered annually by competition, —if at each half-yearly examination; 24 nominations are to be made for each examination.

The annual payment for navigating cadets will be 40*l.* for both the home and the sea-going training ships. Those who do not obtain the rating of Navigating Midshipman on passing out of the "Britannia" will be allowed an intermediate rate of pay of 2*s.* 3*d.* a-day (41*l.* 1*s* 3*d.* a-year) until they obtain that rating.

By Command of their Lordships,

To all Commanders-in-Chief, &c. VERNON LUSHINGTON.

(COLONIAL CADETS.)

With reference to the Regulations respecting Naval Cadets contained in Circular No. 3 of the 6th January, 1870, my Lords Commissioners of the Admiralty are pleased to issue the following Regulations in regard to the Entry, Passage to England, and Pay, &c., of Colonial Cadets.

1. Cadets examined in the Flag Ships abroad will, if they can be entered as Supernumeraries for Victuals only, and sent home in any Man-of-War or Transport about to leave for England, to join the "Britannia." In the event of no such Ship being about to leave for England passage, including mess, at the public expense, is to be provided for them by Mail Packet, or by private Ship; the latter being preferred where the Packet fares are high.

2. They will not count time or receive pay until they join the "Britannia," and arrangements are to be made that, if possible, they may arrive in England a short time before the commencement of a term, *i.e.*, before the 1st February or the 31st August; and Parents are to arrange for the payments, on their account, being received by the Accountant-General prior to the Cadets' joining the "Britannia."

By Command of their Lordships,

VERNON LUSHINGTON.

(CIRCULAR No. 73—A. G.)

Admiralty, 4th October, 1870.

ALLOWANCES TO MIDSHIPMEN, CADETS, AND ASSISTANT CLERKS.

My Lords Commissioners of the Admiralty are pleased to direct that after the 31st of December, 1870, Commanding Officers are no longer to approve of Bills drawn by Midshipmen, Cadets, and Assistant Clerks,

In lieu thereof the Parents or Guardians will be called upon to pay to the Accountant-General of the Navy:—

£50 per annum for each Midshipman and Naval Cadet.

£20 per annum for each Navigating Midshipman whose pay does not amount to 4*s.* a day and the same for each Navigating Cadet and Assistant Clerk.

The payments are to be made by the Parents or Guardians half-yearly, in advance, and to commence for Midshipmen and Cadets from the date that the sums due for tuition in the Training Ships may cease to be payable, and for Assistant Clerks from the date of their entry into the Service.

The sums received by the Accountant-General will be paid to the credit of these officers.

The Paymasters of the several ships in which the young Officers may be serving are to make payment to them at the rate above stated, on the usual Form of Quarterly Pay List, but on a separate sheet, and distinctly marking it "Private Allowances."

Proportionate monthly advances may be paid.

Should any Midshipman or Cadet desire to draw less than £50 per annum he is at liberty to do so, provided he obtains the approval of his Commanding Officer, and can show that his debts are paid. The sum thus saved would be carried by the Accountant-General to the credit of the succeeding quarter following half-yearly claim on his Parents or Guardians.

When the pay of a Navigating Midshipman amounts to 4*s.* per diem, his friends will not be called upon to make any further payments to the Accountant-General, and the corresponding payments on board are to cease.

They are to cease for Midshipmen on attaining rank of Acting Sub-Lieutenant, and for Assistant Clerks when rated Clerks.

The Commanding Officers of Her Majesty's Ships are, immediately on receipt of this Circular, to furnish the Accountant-General of the Navy with a Return of all Midshipmen and Cadets of both Classes, and Assistant Clerks serving on board, with the names and addresses of their Parents or Guardians, in order that letters claiming the first half-yearly sum may issue before the 1st January next.

In like manner the Commanding Officers of Sea-going Training Ships are to furnish the Account-General half-yearly with a similar list of all Cadets discharged for General Service.

By Command of their Lordships,

VERNON LUSHINGTON.

To all Commanders-in-Chief, &c.

An Officer failing to present himself within the limit of the said six months will not be considered eligible for examination, unless under some special circumstances to be approved, in each individual case, by their Lordships.

By Command of their Lordships,

VERNON LUSHINGTON.

To all Commanders-in-Chief, &c.

Admiralty, 4th Nov., 1868.

The Right Honourable the Lords Commissioners of the Admiralty are pleased to direct, that the following Regulations, relative to the Examination of Candidates for the Appointment of Assistant-Surgeon in the Royal Navy, shall in future be adopted :—

1. That a Candidate for entry into the Royal Navy shall make a written application to that effect, addressed to the Secretary of the Admiralty; on the receipt of which application he will be furnished with a Schedule containing the Regulations, and a printed Form, to be filled up by him, in accordance with the directions given therein.

2. As vacancies occur, the number of Candidates required will be ordered to attend for competitive examination at the Admiralty Office; but it is to be observed, that no person can be admitted as an Assistant-Surgeon into the Royal Navy, unless he can produce satisfactory evidence that his name has been placed on the Medical Register as legally qualified to practise both Medicine and Surgery according to the regulations established by the Medical Act. And further, he will be required to make a declaration that he is free from any mental or bodily disease, defect, or infirmity which could interfere with the efficient discharge of his duties as a Medical Officer in the Navy.*

6. Such Candidates as shall have been found in all respects competent for the appointment of Assistant-Surgeon will be forthwith nominated to one of Her Majesty's Ships, or to a Naval Hospital at home; or, should their services not be immediately required, their names will be duly registered for early appointments as vacancies may occur. But it is distinctly to be observed, that Candidates admitted into the Naval Medical Service must serve in any Vessel to which they may be appointed; and that in the event of their being unable to do so from sea-sickness, their names cannot be continued on the Naval Medical List, nor can they, of course, be allowed Half Pay.

7. After completing three year's Full Pay Service, Assistant-Surgeons will be allowed to be examined for the rank of Surgeon before a Board of Naval Medical Officers assembled at the Department of the Medical Director-General of the Navy, but no Assistant-Surgeon can be promoted to the rank of Surgeon until he shall have served five years, two of which must have been in a ship actually employed at sea.

An Engineer, or a First or Second Class Assistant-Engineer, who may be serving abroad, where the requisite number of proper examining Officers cannot be obtained, may be provisionally examined, under the directions of the senior Officer present, by an Inspector of Machinery Afloat, or by one, two, or three Chief Engineers, according as such Officers may be on the spot, in the presence of a Captain or Commander, or of the Officer commanding the ship in which the candidate may at the time be borne; and no Engineer Officer is to be considered eligible for advancement to a rank or class for which he has not passed at least a provisional examination; neither will he be eligible for confirmation in any rank which he may have attained after passing provisionally, until he shall have passed the established examination before proper Officers, in accordance with the foregoing instructions.

Engineer Officers of ships about to leave England for service abroad, may present themselves for examination for promotion to superior ranks, twelve months before completing the respective periods of service specified above.

A certain number of Engineers who may be considered fit and deserving, may, at their own request, be selected, from time to time, by the Admiralty, as "Engineers for special charge." As a general rule, they will not be appointed to ships bearing Chief Engineers; but they are not, after being so selected, to be considered eligible for promotion to the rank of Chief Engineer.

By Command of their Lordships, C. PAGET.

MEMORANDUM—THE APPOINTMENTS TO ROYAL NAVAL COLLEGE FOR STUDY.

Admiralty, 27th August, 1869.

Cases having occurred of Officers on half-pay having made application for, and received appointments to, the Royal Naval College twice, and even three times, in a few years, the Lords Commissioners of the Admiralty consider that such a course is not attended with beneficial results to the service generally, and should be discontinued, as it has the effect of preventing other, officers (who have not previously had the advantage of going through the course of study at the College) from being able to do so, the number of vacancies, as well as the accommodation for officers, being limited. Their Lordships are therefore pleased to direct that in future officers on half-pay who have once been appointed to the College for study, and remained there for the period allowed, "12 months," or who may have quitted, at their own request, before completing the course of study, shall not be eligible for reappointment until a period of six years has elapsed from the date of their former appointment.

Officers applying for appointments to study at the College are to state, when making their application, whether they have previously studied at the College, and if so, at what date.

"The Lord High Admiral, or the Commissioners for executing his office, hereinafter called the Admiralty, may appoint Officers of Reserve to the Royal Navy so many of the persons as aforesaid as the Admiralty may from time to time think expedient, under and subject to such rules, orders, and regulations as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"4. It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be continued by Her Majesty as if this Act had not been passed, unless and until Her Majesty thinks fit to discontinue the same.

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any

part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), 'to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy,' shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine:

"Whereas by Your Majesty's Orders in Council of the 22nd February, 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, We would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Enquiry in connection with naval matters of importance, we are of opinion, that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-Pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-Pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the Active List, until he ceases to be in such civil employ- that his retired pay should then be calculated accord- the total period of service he may have completed, re- ing his civil employment as service for this purpose.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several rates of 18s. or 20s. a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of fifteen years; and, if less than that period of service, at the rate of 16s. a-day. 8. No Officer who was not on the Active List of Captains previously to the 1st of August, 1860, to be allowed more than the pay of 20s. a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July, 1864. REGULATIONS RELATING TO PENSIONS TO WIDOWS, AND COMPASSIONATE ALLOWANCES TO CHILDREN.

1. Widows of Commission and Warrant Officers of the Royal Navy, and of Commission Officers of Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table in the Appendix, and subject to the following regulations:

2. The Pensions authorized by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that of the their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of Pension to which she would have been entitled to if living, shall not be allowed to her representatives.

6. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Chief Gunner, Chief Boatswain, Chief Carpenter, or a Warrant Officer, after the age of Fifty Years.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon: provided he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in the Sea Service; but the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, in such cases as they think proper.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

7. The Widows of Commission Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having been on the List of Commission Officers, or on the List of Naval Instructors, ten complete years, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer died from the effects of foreign service, then, provided he had been five years on the List,—was in good health when he married,—and it be clearly shewn that the disease which occasioned his death resulted from such service alone, did not arise from constitutional predisposition, and was not brought on by any misconduct, or by any circumstances over which the Officer himself had control.

The Widows of Chief Gunners, Chief Boatswains, Chief Carpenters, are only entitled to Pensions in the event of their Husbands having been confirmed in the rank one year; and the Widows of Warrant Officers (Gunners, Boatswains, and Carpenters) are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time included) and provided they shall have been confirmed in the rank of Warrant Officer.

8. No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in Priest's Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married during, or prior to, her Husband's Service in the Navy, and unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served the length of time to entitle him to Half-Pay;* but by Order in Council of the 1st November, 1864, the Widows of officers dying after that date, who shall have completed Years' Service on Full Pay, may be granted Pensions although no portion of such service be subsequent to marriage, provided they are otherwise qualified, according to the existing regulations governing the grant of Pensions.

9. The Pension of Widows who shall have married prior to the 31st of December, 1830, shall be granted to themselves, and their receipts shall, notwithstanding the Act of Parliament, be deemed a sufficient discharge for the payment of their Pensions.

10. In all cases of a Widow re-marrying, on or after the 6th August, 1861, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored upon proof being adduced to the Admiralty that she is in wealthy circumstances, and is otherwise deserving of the Public Bounty, but it will be again liable to suspension during future re-marriage. Widows who are re-married at the date of these Instructions, and thereby forfeit their Pensions, will not have the same restored in the event of their again becoming Widows.

11. Every Officer, whether on Full or Half-Pay, in order to facilitate the decision upon the claim of his Widow after his decease, to the benefit of these regulations, should his marriage *within six months* of his taking post, report to the Admiralty, according to the Form in the Appendix.

12. With respect to marriages contracted abroad, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the Church in which the marriage shall have been celebrated, or by an attested copy of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties *before a Magistrate in Scotland*, in presence of a Magistrate, according to the Form in the Appendix.

13. *Mothers.*—When an Officer is killed in the Service, leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the mother shall receive a Pension equal to the ordinary rate of Widow's Pension according to the rank which her Son held at the time of his death, provided if such Mother shall herself be on the receipt of a Pension as an Officer's Widow, or shall have any other pecuniary benefit from the public, in that case no Allowance shall be made to her on account of her Son, unless she gives up her other Pension or Allowances, and the Pension granted to the Mother on account of her Son will be forfeited on her re-marriage, and will not be restored in the event of her again becoming a Widow.

14. *Sisters.*—Sisters of Officers are not eligible to receive Allowance, unless under very special and extraordinary circumstances, to be judged of by the Lords of the Admiralty and Treasury. The Allowance will not exceed that which would be given to a Mother, and will not be granted in any case unless the Officer shall have fallen in action or died of wounds received in action, within six months after being wounded, and shall have left no Widow, no Legitimate Child, nor Mother, nor unless the Sister shall be the only one having no surviving Brother, and shall have been the chief support upon the Officer killed. Every Pension granted, will cease when the person receiving it marries, or be on any other manner sufficiently provided for.

15. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Officers will be given in those cases in which the Widow of such Officer would be entitled to be placed on the Pension List, provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government, and that their necessary circumstances, and those of the Family, are so limited, that they actually require relief from the Compassionate Fund.

16. The claims of the Children will be considered according to the length, nature, and merits of the services rendered by the Father; and as far as the decisions upon these points may be governed by Regulation, in the following manner, viz.

1st. Children of Officers killed in action, or who have died of wounds received in action, or who have died in the Service.
2nd. Children of Officers dying from illness contracted in the Service.
3rd. Orphans having neither Father nor Mother.
4th. Children of Officers dying on Full-Pay.
5th. Children of Officers dying on Half-Pay.
6th. Children of Officers dying on Half-pay.

17. The Allowances granted to the Sons of Officers will be continued until they attain the *Age of Eighteen*, unless otherwise previously provided for;—and those to *Daughters* may be continued until they attain the *Age of Twenty-one*, whichever shall first happen, but not longer; except in very special cases, in which

VICTORIA R.

It having by Our Order in Council of this Day's Date graciously pleased to annul, from and after the First Day of September next, Our Royal Proclamation of Fourteenth Day of May One thousand eight hundred and forty-six, regulating, according to the Scheme therein mentioned or recognised thereby, the Distribution of Proceeds of Prizes captured from the Enemy, of Rewards and Bounties under the several Acts of Parliament relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Prevention and Destruction of Pirates and Piratical Aggressions, and the Rewards conferred for the same, as also the Bounty for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially provided for by the Terms of the respective Awards and Warrants, and in consequence of certain Alterations in the Rules of Admeasurement and Classification of the Shares being found a expedient that Provision should be made for the Distribution of such net Proceeds and Salvage Monies hereby specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the Manner of Prize Money.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows; videlicet—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed that is to say,

When there is but one flag officer he shall have the entire one thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

The first captain to the admiral and commander-in-chief of Our fleet, and also the first captain to any flag officer appointed to command a fleet of ten ships of the line upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share with the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have received commissions than one shall be entitled only to share in one prize or prizes according to the share allotted to him by the above-mentioned distribution in respect of his highest commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the case of his being directed to join a flag officer on arriving he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be duly noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be in the execution of some order issued by some flag officer duly authorized, or by the Lord High Admiral, Our Commissioners for executing the office of Lord High Admiral.

We further direct, that after provision shall first have been made for the flag share (if any), and for the portion of the commanding officer or officers and crew above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board or absent on duty in a prise (who it is Our will and pleasure shall be the only absentees entitled to shares) at the time of such capture, seizure, &c., as aforesaid; and every person present and assisting shall receive shares, or a share according to his class, as set forth in the following scale:

CIRCULAR No. 25.—L.

Admiralty, 14th July, 1866.

(CAPTURE OF VESSELS ENGAGED IN SLAVE TRADE, &c.—EXPENSES INCURRED IN PROSECUTING.)

My Lords Commissioners of the Admiralty having had under their consideration the difficulty, which has been in some instances experienced by the Commanding Officers of Her Majesty's Ships, in meeting the legal expenses, necessarily attending the prosecution, before Courts of Vice-Admiralty and Mixed Commission, of Vessels captured by them on suspicion of being engaged in the Slave Trade or in Piracy, their Lordships are pleased to authorise the temporary application of Public Money, in payment of these expenses, under the following conditions:—In the event of the Commanding Officer of one of Her Majesty's Ships being unable to pay, from his own resources, the legal expenses of prosecuting a Ship or Vessel, captured under the circumstances stated above, he will be at liberty to demand from the Paymaster of his Ship an advance of Public Money for the purpose. The amount of such advance, which must not exceed 100*l.*, will be placed as a charge against the pay of such Commanding Officer.

It is desirable that the approval of the Commander-in-Chief, or Senior Officer on the Station, should be obtained, before such application of Public Money; but should the delay necessary to obtain such approval be in any case inconvenient, the advance may be made on the sole authority of the Commanding Officer of the Ship; the case being afterwards reported to the Commander-in-Chief or Senior Officer.

By Command of their Lordships,
W. G. ROMAINE.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.

GOD SAVE THE KING.

Admiralty, 9th October, 1827.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on *Public* Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 6th June, 1827, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Custody* only, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

Admiralty, 23rd August, 1866.

(DIRECTIONS FOR THE EXAMINATION OF OFFICERS, MEN, AND BOYS FOR ADMISSION INTO THE ROYAL NAVY AND MARINES.)

My Lords Commissioners of the Admiralty are pleased to issue the following regulations for the Medical Examination of Officers, Men, and Boys for the Royal Navy and Marines, in lieu of those contained in article 34, pages 307 and 308 of the Queen's Regulations and Admiralty Instructions, and in article 14 of the Instructions to Surgeons and Agents of Sick Quarters.

When a Medical Officer is directed to examine any person for admission into the Naval Service, or into the Royal Marines, he is first to observe whether he has any marks of wounds, or injuries of the bones of the head, whether his eyesight or hearing is defective, whether he is deformed, lame, or has an impediment of speech, or weakness of intellect, and should any of these or other mental or physical defects exist to such an extent as might, in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is at once to report him unfit without carrying the examination further.

On the contrary, should the person present no outward appearance of unfitness, he is to be directed to divest himself entirely of his clothes; and the Medical Officer is then to satisfy himself, by a careful inspection of the entire cutaneous surface, that it is not only in itself free from disease, but that it shows no evidence or sign of the existence of any internal complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion between the different members of the body, that there is no spinal weakness or deformity, that the limbs are of equal length, strong, and well developed, that there are no visible marks of previous fracture, depression, or disease of the bones of the head, nor adherent cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight good, and the hearing perfect in both ears, that there is no defect or deformity of the bones of the nose, and that the teeth are good, strong, and sufficient in number.

The chest should be carefully examined in reference to its form and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained viscera, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to extend, and slowly raise his arms until the hands meet above his head; he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, supinate and pronate the forearm; to flex and extend the fingers and thumbs; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five seconds.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs and feet to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undermentioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:—

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, or from chronic disease, constitutional depravity, wounds or injuries.

2. Chronic eruptions on the skin or scalp; syphilis, primary or constitutional; gonorrhœa; extensive marks of cupping, leeching, or blistering, or of issues. Marks of punishment are to be reported to the Commanding Officer.

3. Malformation of the head, with a dry, harsh, divergent state of the hair of the scalp, fracture or depression of the bones of the skull, disordered intellect or imbecility, or paralysis, or impediment of speech.

4. Blindness or defective vision in one or both eyes, lachrymalis, and ptosis.

5. Impaired hearing, or discharge from one or both ears, disease or thickening of the lining membrane of the ear.

6. Disease of the bones of the nose or of its cavities, polypus.

7. Disease of the throat, palate, or tonsils; offensive breath from constitutional causes, scrofulous disease of the glands of the throat or neck, cicatrices, whether from scrofulous sores or existing

10. Swelling or distension of the abdomen, disease or enlargement of the liver, spleen, Rupture, weakness or distention of the abdominal stricture of the urethra, incontinence of urine, fistula.

11. The non descent of one or both testicles, hydrocele, and sarcocele.

12. Fistula or fissure of the rectum, hæmorrhoids, mata, or prolapsus of the rectum.

13. Paralysis, weakness, impaired motion, or of the upper or lower extremities from rheumatism, aneurism, a varicose state of the veins, especially Chalky deposits, bunions, distortion, deformity tion of the fingers or toes; nodes; fist-

No person is to be admitted into Her Majesty's has had smallpox, or has been vaccinated, and vaccine cicatrix not be considered satisfactory, reported fit only on condition that he submits to the operation.

As it is clearly possible that some of the or disabilities may exist in a very minor examining Officers must necessarily, in each by their own judgment as to whether they portance as entirely to disqualify a man Service; observing, however, that no person is fit unless he is likely to continue efficient and any climate, and under all the vicissitudes of a period of not less than ten years.

All persons examined for entry into the Marines by a Medical Officer, are to be entered the Medical Journal of the ship, in the Needles from Hospitals and Marine Infirmaries, and in Returns rendered by Surgeons and Agents; and boy who has been reported fit for the service Officer of the Royal Navy or of the Royal Marines again subjected to examination, unless he produces tinuous service, or there is reason to believe labouring under some disability contracted or since his entry,—or, on going on foreign service.

Only Commissioned and Warrant Officers, and Assistant Engineers of the 2nd Class amongst Subordinate Officers, can make valid Assignments of Prize Money.

Any share of Prize Money of any other person can only be paid to himself, or the person named in an order drawn by him as hereinafter prescribed.

CIRCULAR No. 59.—N.

Admiralty, 6th July, 1870.

ANNUAL COMPETITIVE PRIZE FIRING WITH RIFLED GREAT GUNS AND SMALL ARMS.

The Lords Commissioners of the Admiralty are pleased to direct that the following system of Competitive Prize Firing with rifled great guns and small arms is to be established in Her Majesty's Navy.

With rifled great guns the system is based upon the following points:—

The great importance that not only should the first and second Captains of the guns be good shots, but also that the men who, in the event of casualties in action, would have to replace them, should be able to do so efficiently; the manner in which the prizes are awarded, therefore, is made to depend upon the combined good firing of the six chief numbers of each gun's crew.

The prizes are awarded with regard to the combined accuracy and rapidity of the firing, and as the rapidity must to a very considerable extent depend upon the exertions of the whole gun's crew, the amount of the prize awarded to any gun's crew is divided and distributed in certain proportions to each man belonging to the gun.

The following Regulations are to be strictly adhered to:—

The Practice is, if possible, to take place during the last quarter in each year, the allowance of ammunition and projectiles for that quarter being used for the purpose, common shell empty, being substituted for the filled shell and exceptional projectiles: it is invariably to be carried out when the ship is under steam; targets of uniform size (to be detailed hereafter) are to be used throughout the Service, and the bearing and distance of the ship from the target are to be continually altered.

The ship, or one division of guns (as may be considered most advisable under the circumstances), is to be cleared for action, guns loaded, and two targets thrown overboard from 1000 to 1500 yards apart.

Having attained a distance of not less than 600 yards from one of the targets, 8 rounds of rapid independent firing are to be delivered from each gun separately, in succession, in the following manner, the change of numbers taking place immediately after the gun has been run out:—Before the order to *Commence* is given to the Captain of each gun, the gun is to be laid abeam and horizontal, and the crew closed up. At the order *Commence*, No. 1 will fire 2 rounds at the target, then change numbers with 2, who will also fire 2 rounds; after the 4th round, 2 and 1 change numbers with 3 and 4, who each fire 1 round; and, after the 6th round, 4 and 3 change numbers with 5 and 6, who also fire 1 round each.

An Officer is to be stationed close to each gun whilst firing, to take the time occupied from the order *Commence*, until the 8th round has been completed.

A second Officer is to be stationed in the best position aloft for observing the accuracy of each shot, both as to elevation and direction, awarding it numbers in accordance with Table A annexed.

A third Officer, also stationed aloft, is to ascertain the distance of the target from the ship by Admiral Ryder's method of measuring the angle between the target and the horizon, before each gun commences firing.

The Captain of each gun is to be made acquainted with the approximate distance of the target immediately before receiving the order *Commence*, after which the alteration in the distance must be judged by eye.

At the termination of the whole of the competitive firing in each ship, the Gunnery Officer (or, if none on board, an

Officer selected) will furnish the Captain with a detailed report of the result, in accordance with Table C annexed, and the prizes which are allowed to the ship, in accordance with Table D annexed, are to be paid by the Paymaster (on the Captain's order) to the gun's crew, or crews, to which prizes have been awarded, as soon after as is convenient.

Table C is to be attached to the Half-yearly Report of Progress in Gunnery.

VERNON LUSHINGTON.

8-inch allows	–	–	–	–	1	30	4	9	8	49
9-inch allows	–	–	–	–	–	–	2	30	7	0
10-inch allows	–	–	–	–	–	–	–	–	4	30

NOTE.—64-Pounders, when mounted on slides, are to be considered with regard to allowance for time as 7-inch guns.

Table B is arranged to enable the times taken by guns of different weights and calibres in firing the 8 rounds, when competing for prizes, to be reduced to the standard of the 64-pr gun and in the proportion. After this reduction has been applied, points are to be deducted from the total number gained by each gun for accuracy, in the proportion of 1 point for every 10 seconds, by which the time taken in firing the 8 rounds after being corrected by Table B exceeds that of the quickest gun. The prizes are to be awarded in accordance with the total number of points remaining to each gun after the deductions have been made.

Example.

a. 64-pounder fires 8 rounds in 7 minutes and gains 40 points.

b. 7-inch M.L.R. gun fires 8 rounds in 9 minutes and gains 45 points.

c. 9-inch M.L.R. gun fires 8 rounds in 11 minutes and gains 0 points.

Referring to Table B, it will be seen that in order to reduce the time taken by the 7-inch and 9-inch guns to the standard of the 64-pounder (the lightest gun used in the practice), it will be necessary to deduct 50 seconds from that of the former, and 3 minutes 25 seconds from that of the latter, thus leaving the corrected time of firing the 8 rounds as follows:—

a. 64-Pounder . . . . . 7 minutes.
b. 7-Inch M.L.R. gun . . 8 minutes 10 seconds.
c. 9-Inch M.L.R. gun . . 7 minutes 35 seconds.

The 64-pounder is, therefore, the quickest gun, beating the 9-inch gun by 35 seconds, and the 7-inch gun by 1 minute and 10 seconds.

The total number of points gained for accuracy by the 7-inch and 9-inch guns must now be reduced in the proportion of 1 point for each 10 seconds, by which their corrected time of firing 8 rounds exceeds that of the 64-pounder, consequently 3½ points must be deducted from total number gained by the 9-inch gun, and 7 points from that gained by the 7-inch gun, leaving the total number of points remaining to each gun, after reduction, thus:—

a. 64-Pounder. . . . . 40 points.
b. 7-Inch gun . . . . . 38 „
c. 9-Inch gun . . . . . 39½ „

The 64-pounder, therefore, wins the prize.

In the event of the number of reduced points gained by two guns being an exact tie, they must fire the 8 rounds over again.

TABLE C.—Report of Annual Competitive Firing with Rifled Guns on board H.M.S.

CONDITIONS.—8 Rounds of rapid independent firing from each Gun separately in succession, Ship steaming round Targets of Service Pattern and dimensions. Nos. 1 and 2 fire 2 rounds each. Nos. 3, 4, 5, and 6 fire 1 round each.

Course of Musketry Instruction and Competitive Target Rifle Practice to be performed annually by the Seamen of the Fleet.

The whole number of working Petty Officers and Seamen is to be divided into companies, each company not to exceed 60, or to be less than 40 men (this division is simply to facilitate the instruction and target practice, and is not to interfere with the regular organization of rifle companies laid down at p. 9, Gunnery Manual). Each company, having completed the manual and platoon exercises, is to be divided into squads, the number of men in each squad is not to exceed 20, and go through the course of musketry instruction laid down in annexed forms E and F, being exercised during that period their watch in the daytime.

Having completed the course of musketry instruction, the target practice may subsequently be performed at any period of the year when opportunity offers for obtaining the use of a rifle range.

In performing the target practice detailed in Form G, the following rules are to be strictly adhered to:—

No man is to be allowed to commence firing until he has completed the course of musketry instruction laid down in annexed Forms E and F.

The number of men in a firing party is never to exceed 20, and no man is to be allowed to fire at more than two distances on the same day.

In all ships having a Gunnery Lieutenant, he is invariably to take charge of the firing party. Where there is not a Gunnery Lieutenant, a Commissioned Officer is to perform this duty.

The marker for each company is to be a Petty Officer belonging to one of the other companies.

The register of firing is to be taken in ink on the spot by an Instructor, the Officer in command of the firing party to read it over to the men before leaving the ground, and then sign it.

A Return in accordance with Table I, showing the result of the Annual Competitive Rifle Firing, is to be attached to the Half-yearly Report of Gunnery Progress.

REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the [illegible] Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer [illegible] British Subject the Insignia of an Order, must be [illegible] Her Majesty's Principal Secretary of State for [illegible] Affairs, either through the British Minister [illegible] Court of such Foreign Sovereign, or through the [illegible] accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer [illegible] Order has been performed during War, the [illegible]

required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military service before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's Sanction being granted.

Similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, and to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on the Application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

7. When such Warrant shall have been signed by the Queen, the Application thereof shall be inserted in the Gazette, stating the Service for which the Foreign Order has been conferred.

8. The Warrant signifying Her Majesty's permission, may, if desired, be had at the expense of the person who has obtained it, and is registered in the College of Arms.

9. Every such Warrant as aforesaid shall contain a Clause declaring that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, office, or privilege appertaining to a Knight Subject of Her Majesty's Realms.

10. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

CLARENDON.

Foreign Office, May 10th, 1856.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that it is fitting the means of adequately rewarding the indistinguished services either of Officers of the lower Ranks in Our Naval and Military Service, or of Warrant Officers, Seamen, and Marines, in our Navy, Non-Commissioned Officers and Soldiers in Our Army, and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the Companionship of Medals, both in our Navy and Army, is only conferred for long services or meritorious conduct, rather than for long services or distinction before an enemy, or bravery in actions or operations of war, and is therefore almost always confined to Officers of rank, except for a particular action or campaign, or a class Medal for some especial engagement, in both which cases all ranke equally in the boon, and those whose valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous may be highly prized and eagerly sought after by the Brave Men of Our Naval and Military Services, and We are graciously pleased to make, ordain, and establish the Rules, Regulations and Ordinances for the government of the same which shall from henceforth be inviolably observed and kept:

I. It is ordained, that the distinction should be called and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing the motto, "For Valour."

II. It is ordained, that the Cross shall be suspended from the left breast by a blue riband for the Navy and a red riband for the Army.

III. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the

regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration, and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers, Non-commissioned Officers engaged; and two Seamen, Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration, the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the award, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Twenty Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional Pensions as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be guilty of treason, cowardice, felony, or of any infamous crime, or shall be accused of any such offence, and does not within a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the Register of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred upon him by the fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that Our Heirs and Successors shall be the sole judges of the circumstance demanding such expulsion; but the same shall at all times have power to restore such Person, who may at any time have been expelled, to his former enjoyment of the Decoration and Pensions.

Given at our Court at Buckingham Palace, the ninth of January, in the nineteenth year of Our Reign, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PALMERSTON.

HUMANE SOCIETY'S MEDALS.

CIRCULAR No. 11.—C.

Admiralty, 19th March, 1869.

HUMANE SOCIETY'S MEDALS.

The Humane Society having made arrangements
ing the use of their Medals, in future,—in order to
their being worn,—and for granting Clasps and
subsequent acts of bravery, in cases where a Medal has been already granted,—my Lords Commissioners of the Admiralty are hereby pleased to notify to the Officers and Men of Her Majesty's Navy and Marines their permission to Officers and Men to wear such Medals and Clasps when awarded by the Humane Society.

By Command of their Lordships,

W. G. ROMAINE.

To all Commanders-in-Chief, &c.

ND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

Colonies which now offer land privileges to
Military Officers are British Columbia, New-
land, Ceylon, and Western Australia.
ers to whom such privileges are offered are (a)
ers of the Military Branch, of all grades not
than that of Sub-Lieutenants; (b) Military Officers of
and lower than that of Subaltern of seven years'
(c) Departmental Staff Officers; and (d) Medical
of both Services, of not less than five years'

The Officers not entitled to land privileges are, Naval and Military Chaplains; Commissariat Officers; Subalterns under seven years' standing; Medical Officers of less than five years standing; Midshipmen; Cadets; Warrant Officers of every description; Officers of any of the Civil Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service hereinafter mentioned.

In British Columbia a certain quantity of land is granted

in lieu of remission of purchase money. In the four other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer, as shown in the following scales:—

IN BRITISH COLUMBIA.

	Acres.
Field Officers of 25 years' service, in the whole	600
Field Officers of 20 " "	500
Field Officers of 15 " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less in the whole	300
Subalterns of 20 years' service, and upwards in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

IN NEWFOUNDLAND, NATAL, CEYLON, AND WESTERN AUSTRALIA.

	£
Field Officers of 26 years' service and upwards, in the whole	600
Field Officers of 20 years' service and upwards, in the whole	500
Field Officers of 15 or less years' service, in the whole	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less, in the whole	300
Subalterns of 20 years' service and upwards, in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

Although these scales refer only to Military Officers, they apply also to Naval Officers, who will receive allowances corresponding with their relative rank to Officers in the Army, as prescribed in Her Majesty's Order in Council of 11th June, 1863.

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a naval man, from the Lords Commissioners of the Admiralty, and if a military man, from the Office of the General Commanding-in-Chief, specifying his rank, length of service, and date of retirement. This document will not be issued more than one to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State necessary.

As the sole object of the Regulations is to encourage *bona fide* settlement of naval and military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which, in British Columbia he may obtain, or which in either of the four other Colonies he may have purchased to the extent of his remission money.

At the expiration of two years from the date of the Location Ticket, the Officer will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a bona fide settler in the Colony, and had not only continuously resided there since the receipt of his Location Ticket, but that he had resided on the land described in it for such length of time and made substantial and permanent improvements of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelvemonth from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown. No title to the land will be allowed or be valid until a Crown Grant thereof has been obtained.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket, the Governor of the Colony is authorized to issue the Memorandum available, as he may think proper, to the widow of a child or children or other nearest representative of the deceased, who will then become entitled to the same privileges and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it relates will be granted to his legal representative.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations, nor can the amount of remission in purchase money to Naval Officers be increased on account of any increase in value which may at any time be set up upon the Crown lands in the Colony.
